

Quality Management System Policy

VisIC Technologies is committed to delivering high-quality, safe, environmentally responsible, and secure products and services that ensure customer satisfaction, business continuity, and compliance with applicable laws and regulations.

We achieve this through the following commitments:

- Design and deliver products with quality, safety, and reliability at their core.
- Apply assurance methodologies throughout the full product lifecycle — from concept and design, through production, to installation and service.
- Continuously improve our processes, products, and services to drive innovation and efficiency.
- Prevent pollution and minimize environmental impacts by reducing waste, conserving resources, and improving energy efficiency.
- Promote sustainable practices across our operations and supply chain.
- Provide safe and healthy working conditions for all employees, contractors, and visitors.
- Prevent work-related injuries and ill health through proactive risk management and employee engagement.
- Encourage open communication, consultation, and participation of employees in improvement activities.
- Safeguard company and customer information to ensure confidentiality, integrity, and availability.
- Manage risks effectively to ensure business continuity and stakeholder trust.

VisIC's management and employees share responsibility for upholding this policy and for ensuring excellence in every aspect of our work.

Tamara Baksht CEO
VisIC Technologies

Date: 02/09/2025

A blue ink handwritten signature, appearing to read "Tamara Baksht", is written over the text of the CEO's name and the date.
